Riviera Maya, Mexico

Pristine beaches, caressed by calm, turquoise waters and bathed by gentle breezes, Riviera Maya offers stretches of white sand fringed with palm trees and protected by a chain of coral reefs. Miles of untouched powder white sand as far as the eye can see beckon vacationers in search of quiet and relaxation. Known and treasured by locals, but still virtually undiscovered, these unspoiled serene strands of beach, as plentiful as the region's sunny days, make even the most seasoned traveler feel as if they are on their own deserted island.

Just a few miles from Playa del Carmen, the Riviera Maya's shopping and dining center, and home to the most popular beach, are Playa del Secreto, Playa Paraiso and Punta Maroma. Long stretches of white sand, popular with sea turtles and crabs, visitors a wealth of peace and tranquility

Insurance

- Our "Cancel For Any Reason" plan means exactly what it says. No hassles, no worries - a plan that we believe is the best in the industry. And now children can be covered at a lower price! Unlike other travel insurance plans that provide reimbursement only for cancellations due to medical reasons, the Travel Impressions plan provides your enrolled clients with a full refund in the event they need to cancel their trip for any reason right up to the departure time of the flight. The complete package is covered, including airfare regardless of ticketing penalties or airline regulations, if cancelled prior to departure. The *Cancel For Any Reason & Travel Protection Plan* includes coverage for:
 - Trip interruption should clients need to return home early for a covered reason.
 - Protection against additional expenses in the event a covered weather delay.
 - Reimbursement for lost or stolen baggage.
 - Reimbursement for medical expenses incurred overseas. Many group health or primary medical insurance plans do not cover medical expenses incurred outside of the United States or the plan's covered territories.

References

- Laura at Bliss was great to work with for attending my brother's wedding in Mexico. She had to manage us through a couple of challenges, from the original resort we picked not being open in time, to bad weather in Columbus which caused flights being delayed and/or canceled two days before the wedding, to people switching their itineraries, Laura was fantastic. She was always responsive and helped all of us through these challenges. We actually loved the resort we got switched to (Azul Beach) and thought that there was no way the original resort could have even compared! We had the best vacation and seeing my brother get married and our families and friends coming together was an experience I'll never forget.- *Erin*
- Laura is so amazing and fantastic to work with. I high recommend Bliss and Laura to anyone with Wedding and Honeymoon plans abroad. I can't thank her enough- *Brian*
- Bliss Honeymoons - Laura- was amazing to work with. We are so glad the bride and groom went through a travel agent. We were faced with wintry conditions which cancelled flights and delayed arrivals. Without the travel agents pull we would have been out of luck. We very much recommend using Bliss Honeymoons.- *Jane*
- Laura at Bliss Honeymoons was a great asset for our destination wedding. The night before we were to leave our airline called and cancelled our flight. The airline carrier was not flexible and was going to fly us to Jamaica the day after we were to get married. Laura jumped on the phone and found us alternate flight arrangements to get us there in time to enjoy our wedding!- *Carray*

Important things to remember

- Your passport application can take several weeks to process, so apply right away. If you need an application we would be happy to email one to you. Passports cost \$97.00 and are good for 10 years.
- Some countries require a visa in addition to a passport. This is true for cruises and land packages. Please be sure that you have the proper travel documents before you depart.
- Your name on your passport and your name on your airline ticket always have to match. So even if you have been married for a couple of years and have changed your name, continue to book your airline tickets in your maiden name if you haven't gotten a new passport. The airline security people only care that the names on the tickets and passports match, and won't know that your name has changed unless you tell them.
- Arrive at the airport at least 2 hours before your flight departs to ensure that you have plenty of time to clear security.
- Flight schedules change constantly. Double check your flight schedule 24 hours before you depart.
- If you have a block of rooms for your guests, they will have until 30 days before your wedding to make their reservations for their room under your group rate. Encourage your guests to book early.
- Always pack your medication, your passport, your toothbrush and a change of clothes in your carry on. Should your luggage get lost, you will still have something clean to wear while it's being located.
- Also pack your sense of humor. Stuff happens when you travel. Try to make the best of it. A bad day on vacation is sometimes better than an ok day at the office isn't it?
- Your health insurance may not cover you in a foreign country. Should you need medical care the provider will expect payment in full at time of service. An appendectomy in Mexico costs about \$18,000. Travel Insurance cost about \$129.00 and provides coverage for medical claims, lost luggage and more.
- If trouble should arise while you are traveling, call us while you are there so we can assist in getting it resolved. With language barriers and time changes it's much more difficult to resolve something once you are home.

THANK YOU FOR LETTING US BE A PART OF THIS
EXCITING TIME IN YOUR LIFE!

Sincerely,

Laura K Frazier
